## ***MEMBERSHIP PROCEDURES***

As a member of Gymboree Australia you can expect fun, stimulating classes, teaching excellence and unconditional satisfaction. As a member, we request from you, respect for our staff, facilities and equipment, adherence to the rules of membership, and respect for your fellow members.

### **Section One: Participation**

#### ***1.1 Adult Participation:***

Parent-child interaction is the cornerstone of the programme. Therefore please remember to:

- Listen to the class teacher for instructions, join in and model activities for your children.
- Remain within a hug's reach of your child at all times.
- Adults must not sit on our equipment.
- Have fun!
- Remember, your child watches and learns from everything you do and will follow your lead.

#### ***1.2 Children's Participation:***

• Skill, mastery and confidence comes with repetition and a safe environment – please remember to praise for effort as well as success. This will help your child develop a positive self-image and increased self-esteem.

• It is very normal and understood at Gymboree Play & Music, that toddlers wander off from the group to explore – this is their way of discovering the world around them. Please follow your child as they explore and gently try and lead him/her back to the group activity.

• Please follow your children's cues; do not force your child to participate as this is likely to lead to frustration for both you and your child. Children learn a lot from watching.

#### ***1.3 Health and Safety:***

- Please respect your classmates and do not attend if you or your child is ill.
- Remain within a hug's reach of your child at all times.
- The use of mobile phones are NOT permitted in class – including calls or videography.
- Please seek permission from all adults in the room prior to taking any photography that includes another child or adult.
- If there should be any injuries or accidents please inform the class teacher immediately.

- Children must be barefoot for maximum traction on equipment and tactile stimulation. If your child has a foot infection please use socks with rubber grips as the next best thing.
- Adults must wear socks at all times. If you forget your socks please buy a pair from reception for \$4 and half will go to charity!

## **1.4 Child Adult Ratios**

- We allow only one adult per child with the exception being twins or two children in the same family. Please call ahead and check before bringing extra adults, in case the class is at capacity. It is at the teacher's discretion whether or not two adults per child is acceptable in the circumstances.

## **1.5 Siblings**

- For health & safety reasons younger siblings must be in a carrier pouch. This is so that you can leave your arms free to assist your other child on the climbing equipment and allow you to participate in the class. Once the younger sibling is on the move, you are suggested to join a family class where both children are catered for. Entry will be denied, should you not be able to give your child assistance in the equipment activities.
- Older siblings, who are not regular members of Gymboree Play & Music Toowong, may attend family classes if we have space and they are 5 yrs or under. This must be pre-booked and paid for in advance. If the class is not age appropriate, you will need to switch to a family class so that the older sibling may attend also.

## **Section Two: Payment**

The joining fee for Gymboree Play & Music Toowong is per child and valid worldwide for one year from the first class start date.
